HOW THE REPUBLICAN BUDGET BETRAYS THE MIDDLE CLASS

RIPPING AWAY HEALTH CARE

The Affordable Care Act

Thanks to the Affordable Care Act, tens of millions of Americans can afford high-quality health care. House Democrats built on the Affordable Care Act, delivering lower prices and expanding coverage.

Under the Republican budget plan, the 10,000 people who receive coverage under the Affordable Care Act in NY-26 would see their average premium go up by \$1,670 per year — a 35% increase.

Many families would face even steeper consequences. A 60-year-old couple with a household income of \$85,000 in NY-26 would see their health insurance costs increase by \$4,116 per year — a 57% increase in premiums.

Medicaid

Nearly 80 million Americans receive health care through Medicaid and the Children's Health Insurance Program, which provide critical care throughout all stages of life. Medicaid covers everything from childbirth to nursing home care and everything in between.

In NY-26, the 284,891 people on Medicaid are at risk of losing their health care under Republican budget plans.

This includes 110,121 children under the age of 19 and 29,000 seniors over 65 in NY-26.

INCREASING FOOD COSTS

With many American families struggling to put food on the table, the Supplemental Nutrition Assistance Program provides critical support for over 40 million Americans including children, seniors, veterans, and working parents.

Extreme Republican budget plans threaten the 186,000 people in NY-26 who count on SNAP to put food on the table.
